

GAGE BILT...solutions

Introducing the GB751BRK & GB751BRK-1... Blind Rivet Kit

GAGE BILT now offers a complete tool kit for installing blind rivets per NAS1919 S & U and NAS1921 S & U. The basic kit, GB751BRK, contains straight noses to install -4, -5 and -6 diameters, a bleeder bottle, pintail catcher bag and a grip selector gage. The dash one kit also contains right angle noses & offset noses. Must items for re-work operations. All these items are stored in an easy access carrying case with manuals and data sheets.

Please view the back of this flyer for pictures of your NAS fasteners and noses to match.
